

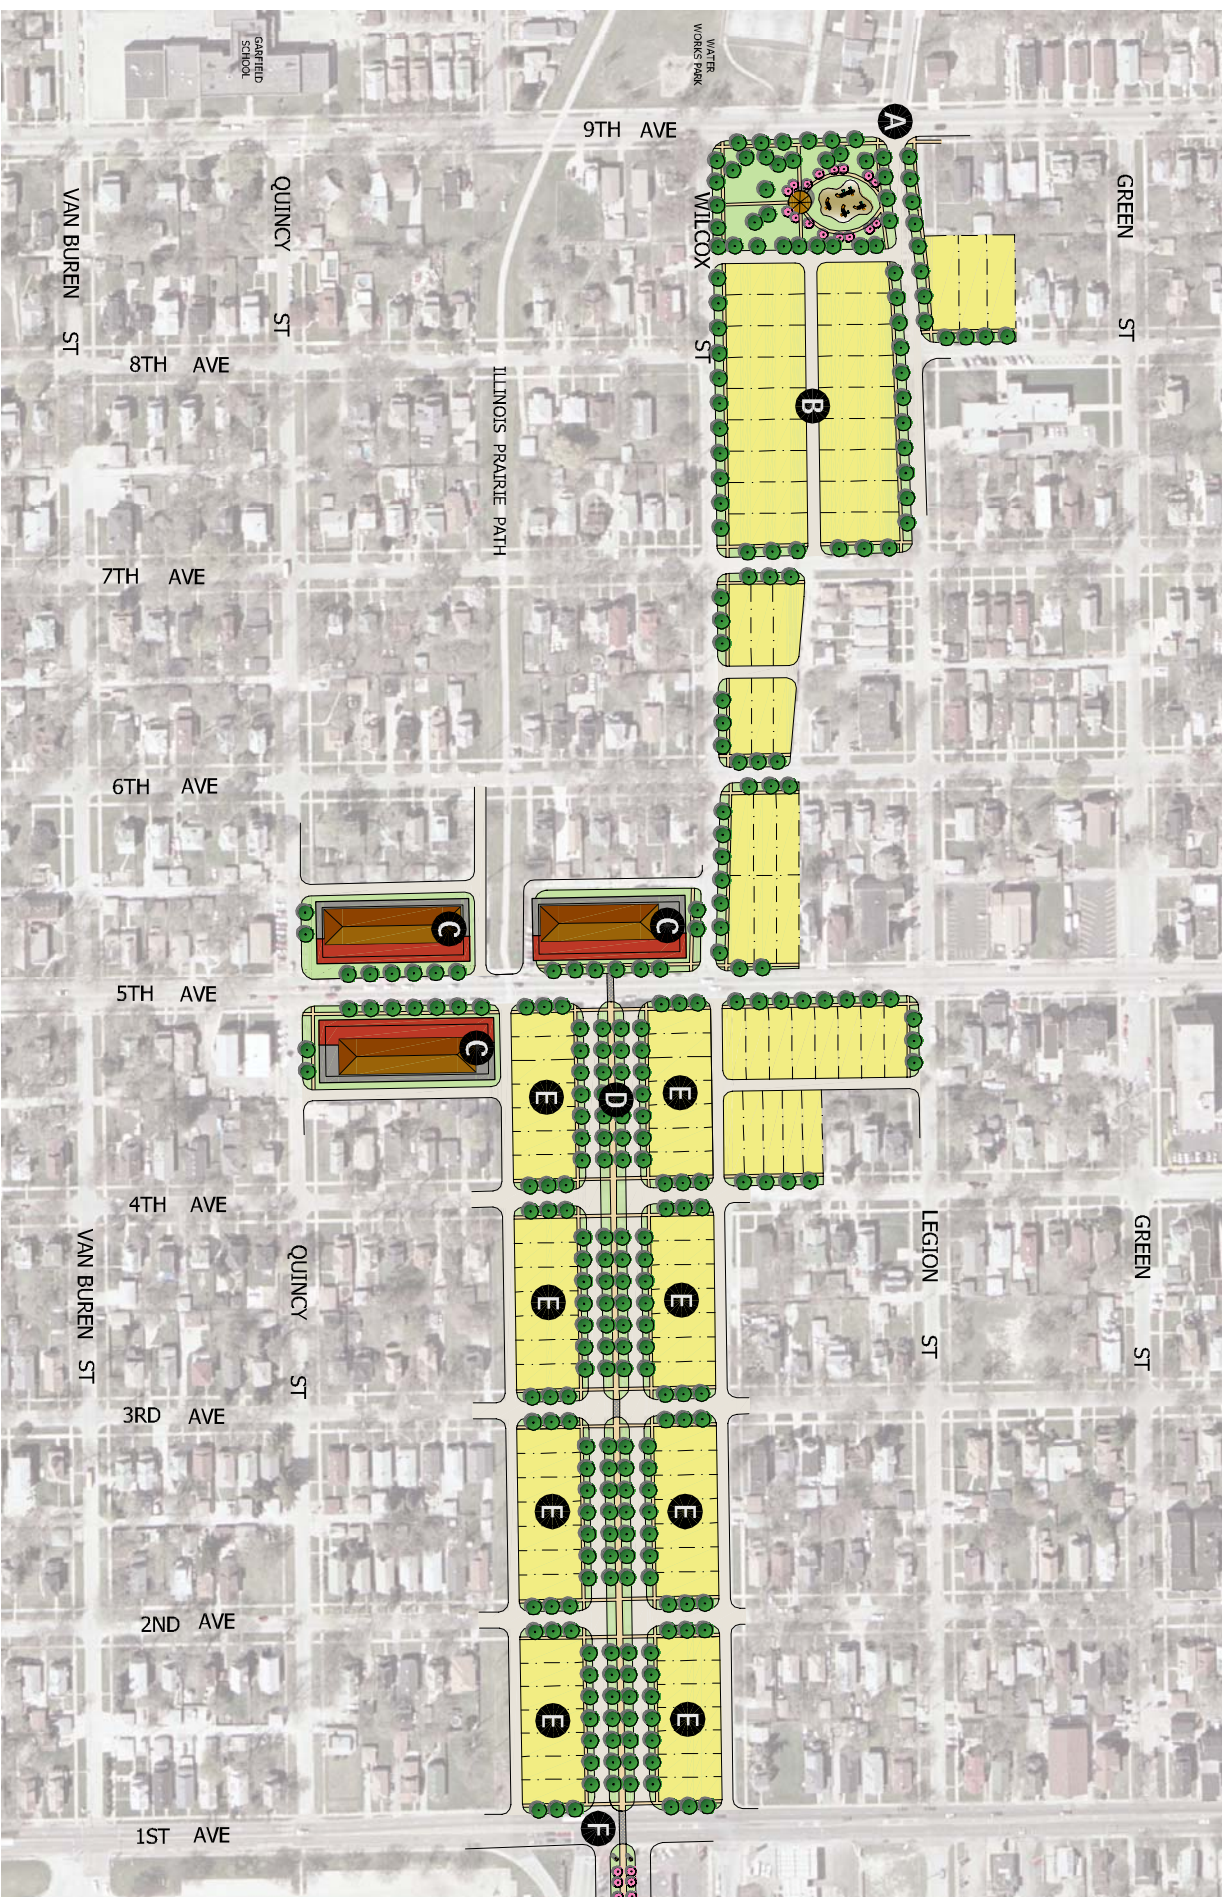

Figure 9.8 – Central Industrial Redevelopment Concept

Legend

- A** Consider realigning Legion Street to create a four-way intersection with Ninth Avenue
- B** Relocate viable industrial uses and develop single-family lots and a neighborhood pocket park
- C** Consider developing mixed-use multi-family housing: 76 units and 23,000 square feet retail total
- D** Relocate viable industrial uses and create a new boulevard with realigned Prairie Path
- E** Relocate viable industrial uses and develop single-family lots
- F** Create boulevard/Prairie Path crossing at First Avenue and gateway into new Town Center

Village of Maywood, Illinois

Comprehensive Plan
