

COMMUNITY VISION

L STATION 4

Draft Vision Statement

More than 300 Libertyville stakeholders and residents have participated in the planning process since September of 2018 in community workshops and meetings, stakeholder interviews, and online surveys. Local stakeholders have described the future Libertyville in the following words:

Libertyville is a place with:

- A vibrant historic downtown district
- High-character neighborhoods
- Preserved charm
- Abundant open space
- Diverse, attainable housing stock
- No flooding
- Excellent community services
- Accessible parks and other recreational amenities
- Trails and other alternative forms of transportation
- Safe and comfortable pedestrian environment
- Connectivity between places and neighborhoods
- Arts and cultural activities year-round
- Well-maintained roads and infrastructure systems
- Ample shopping and living opportunities along its major corridors
- Good schools
- Public art
- High civic spirit and community involvement
- Engaged and responsive Village government
