

# POP-UP WORKSHOPS & PROJECT UPDATES

There is a lot happening with the NWMC Multimodal Plan! A series of Pop-Up Workshops are scheduled in the coming months to help spread the word about the project findings and to gather input on the priority bike corridors. There are also several key project deliverables that will be finalized and made available via the project website in the coming months.

## POP-UP WORKSHOPS\*

### HOFFMAN ESTATES

Public Works Open House  
Kenley H. Rupnow Public Works Center
