HISTORIC PRESERVATION PLAN

COMMUNITY OPEN HOUSES

We need your help! The City of Albany has initiated a planning process to create its first Historic Preservation Plan. Come see the plan's recommendations which include future survey areas, historic districts and landmarks, and historic preservation goals and objectives. If you are not able to make it, no worries! Stay tuned for an online survey which will be posted after the second round of open houses. We hope to see you there!

Wednesday, September 11, 2019
