

# COMMUNITY WORKSHOP

Wednesday, July 21, 2021 at 5:30PM

Attend in-person at The Revolver (221 East Park) or virtually via Zoom registration

## Workshop Details

Anaconda-Deer Lodge County is currently nearing completion of the Historic Preservation Plan that outlines specific strategies for enhancing the County's current historic preservation program. With this Plan, the community desires to build on past preservation successes and to identify priority areas for preservation and reinvestment in order to shape and contribute to the County's visual character, and overall economic development. The purpose of this community meeting is to review key planning goals and strategies of the Draft Plan in a "virtual webinar and in-person hybrid" format with opportunities to share your thoughts via poll questions, Q&A chat, and live discussion.

## Who Should Attend?

Property and business owners, preservation advocates, elected officials, non-profits and other institutions, investors and developers, neighborhood associations, and all interested citizens.

**Do not forget to check out the Draft Historic Preservation Plan!**
